

ITS LANDSCAPE IRON AGE SETTLEMENT AT CULTS LOCH CASTLE KENNEDY DUMFRIES GALLOWAY

Once there was a poor man named Amos. He had nothing but his bright red hair, fast fingers, quick feet, and quicker wits. One grey evening when the rain rumbled in the clouds, about to fall, he came down the cobbled street toward Mariner's Tavern to play jackstraws with Billy Belay, the sailor with a wooden leg and a mouth full of stories that he chewed around and spit out all evening. Billy Belay would talk and drink and laugh, and sometimes sing. Amos would sit quietly and listen and always win at jackstraws..September 22,1977 Source: P. T. Warrington Destination: W. S. He was to make sure Detweiler stayed at least. She pulled the shawl tighter around her. "When I got up this morning, that chair you're sitting in was bright blue. It's always brown or yellow for you. Selene has to have been sitting in it." "I have a plan," said Amos, who could think very quickly when he had to. "Simply do as I say." Amos began to whisper through the bars. Behind them the jailor snored on his piece of canvas..making me do it?". Here is yet another treat from the master of the contemporary chiller. And speaking of chills,. This time Crawford was the last to know. He was called on the radio and found the group all squatted in a circle around a growth in the graveyard.. "Not once you understand what this graveyard is and why it became what it did," Song said. The grey man looked back the other way and nearly took off his sunglasses. Then he decided it was not necessary, for all he saw was a mass of confusing colors. "Nobody," he said.. There are more that I haven't mentioned; two films of She, two of The Lost World, innumerable versions of Midsummer Night's Dream. And yet more to come: As the science fiction and fantasy films prove to be moneymakers, 5 properties will be dusted off, "modernized," and reproduced. I can see the piece I'll do for The Best from Fantasy and Science Fiction: 50th Series, sorting out several versions of The Thing, grumbling about the musical remake of 2007: A Space Odyssey, and commenting on the new production of Star Wars, featuring Mark Hamill as Obi-wan Kenobi.. Congreve paused, swept his eyes from one side of the room to the other, and raised his hands in resignation. "It seems that as individuals we can only stand by as helpless observers and watch the events that are sweeping us onward collectively. The situation is complicated further by the emergence and rapid economic and military growth of the-Chinese-Japanese Co-Prosperity Sphere, which threatens to confront Moscow with an unassailable power bloc should it come to align with ourselves and the Europeans. More than a few Kremlin analysts must see their least risky gamble as a final resolution with the West now, before such an alliance has time to consolidate. In other words, it would not be untrue to say that the future of the human race has never been at greater risk than it is at this moment.." basins of stone. Partyland was an endless middle-class living room, a panorama of all that was."Good," said Amos. "Oh, but one more thing. You say it is windy there. I shall need a good supply of rope, then, and perhaps you can spare a man to go with me. A rope is not much good if there is a person only on one end. If I have someone with me, I can hold him if he blows off and he can do the same for me." Amos turned to the sailors. "What about that man there? He has a rope and is well muffled against the wind." "Well try. There he is!" Detweiler left his room that afternoon for the first time since I'd been there. He went north on Las Palmas, dropped a large Manila envelope in the mailbox (the story he'd been working on, I guess), and bought groceries at the supermarket on Highland. Did that mean he wasn't planning to move? I had a sudden pang in my belly. What if he was staying because of his friendship with me? I felt more like a son of a bitch every minute.. "Well," he called up to the thin grey man who sat on the top of the trunk, waiting, "here is your mirror from the bottom of the luminous pool." and a light jacket hung in the closet.
