The grey man looked after Amos until he disappeared. Then he put his hand on his head, which was beginning to throb a little, and leaned against the black trunk which had been carried to the deck. "This is what you were thinking just now?" he asked skeptically. "Are you disappointed?" worse and worse all day; then he'd be fine, all rosy and healthy* looking. "I had it clamped down, and the drill-did I turn it on, or not? I can't remember. I was after a core sample. You'd better take a look. If the drill hits whatever made the other one explode, it might go off." "Sounds all right to me," Lang assured her. "It'll do for a working theory. Now what about airborne spores?" The years Fallows remembered had come later, when the slender fingers of gleaming new cities were beginning to claw skyward once more from the deserts of rubble, and new steel and aluminum plants were humming and pounding while on the other side of the world China and India Japan wrestled for control over the industrial and commercial might of the East. Those had been stirring years, vibrant years, inspiring years. Fallows remembered the floodlit parades in Washington on the Fourth of July-the color and the splendor of the massed bands, the columns of marching soldiers with uniforms glittering and flags flying, the anthems and hymns rising on the voices of tens of thousands packed into Capitol Square, where the famous building had once stood. He remembered strutting into a high-school ball in his just acquired uniform of the American New Order Youth Corps and pretending haughtily not to notice the admiring looks following him wherever he went.
