I left her with the key, my telephone number, and a warning that, since the cabins on either side of the deer rose heavily to his feet, nuzzled open the door, and sprang away to the meadows. Bill, Old Buddy: I hate to bring this up, but J.L. was down this morning to say that there have been. My mother told me once she was sorry I wasn't handsome enough to get by without working. Listen, windsack and open cockpit, this one was a mad confusion of dials, switches, and lights designed to awe. "Glowing behind those rocks," cried Amos. The ground between the windmills was coated in shimmering plastic. This was the second part of the plants' ingenious solution to sur-. The Nu-View, across the street and down, was showing an X-rated double feature. It was too. Johnny took the news of his impending stardom with total unconcern. He moved to the couch and sat down, yawning. "Detweiler? Don't think I ever laid eyes on the man. What'd he do?" "But I can never express it. It's no secret, due to an inflated publicity campaign, that a nice little movie about a nice big ape called King Kong was remade into a not-so-nice big movie which was a veritable textbook on how not, and maybe why not, to remake a movie that was close to perfect for what it was. Much of the subtler pleasure of the early King Kong comes from its period charm? the naivet?, the wonderfully .preten-tious dialogue, even the oonga-boonga black natives. All this could not in any way survive modernization; "big screen" (whatever that means these days) and color did not make up the difference, nor for the loss of other wonderfully amusing bits from a studio jungle full of dinosaurs to Fay Wray's uncovered bosom. .Again those black and burning eyes of his seemed to absorb the Project from its bottommost brick to. own cheek or forehead.
