He followed him down one of the principal streets and from it into a district of small houses, the old weavers' quarter. They grew flax on Pody, and there were stone retting houses, now mostly unused, and looms to be seen by the windows of some of the houses. In a little square where there was shade from the hot sun four or five women sat spinning by a well. Children played nearby, listless with the heat, scrawny, staring without much interest at the strangers. Tern had walked there unhesitating, as if he knew where he was going. Now he stopped and greeted the women.. Back in the cell room, when Licky had unleashed him and untied his gag, he said, "There's some ore..down. "I told you I was reading about dragons. You know there's been talk of them flying over the Inmost Sea as far east as Gont. That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But a boy swore to me that his whole village had seen dragons flying, this spring, west of Mount Onn. And so I was reading old books, to learn when they ceased to come east of Pendor. And in one I came on your story, or something like it. That men and dragons were all one kind, but they quarrelled. Some went west and some east, and they became two kinds, and forgot they were ever one." Yet he spoke as a friend. Why? said Otter's look. Hound answered it..because after all they had been friends, companions, and he had done all this for her. "Courage!" "Silence is not enough, my lord," said one who had not spoken before. Then, as the dragon bore our friend away, the Summoner fell down..dead, the blind girl who knew the names of things. He told them his trick, and the blind girl." Indeed, for the sailors feared him too, and kept him bound that way all the voyage. When the Doorkeeper of the Great House of Roke saw him, he loosed his hands and freed his tongue. And the first thing the boy did in the Great House, they say, he turned the Long Table of the dining hall upside down, and soured the beer, and a student who tried to stop him got turned into a pig for a bit...
