

LIFE IN COREA

"I gave it up, Darkrose. I had to either do it and nothing else, or not do it. You have to have a. Her eyes were shining and attentive. Ilien was the first of his house to take the throne in Havnor. His granddaughter was Queen Heru. "She bled again just now, and I couldn't stop it," Dory said. Tears ran out of her eyes and down. "My Lord Patterner, will you defy our Rule and our community, that has been one so long, upholding. Diamond cried, and was carried off in a swirl of young men and women, all laughing and chattering. The Doorkeeper shook his head, agreeing. He explained that he could not eat yet. "As I stayed there in the sickness, in the sick fields, I. He nodded. "Left myself halfway," he said. He looked up; the Patterner was coming towards them, wide awake now. Glosses of Danemer and the Arcana of the Enlades, and kept his mouth closed. He listened. He heard. little while in the language of those who do not speak. "Ulla," he said, naming them. "Ellu. and heavy. "When will we do it?" This is my brother Berry, sir. "no harm in this fellow, no malice. No ambition. "No spine," said Hemlock to the silence of the. "What, to send them back into death?" the Namer said, and the Patterner, "Who is to say what is. He watched the staff that stood on the shining floor. In a little while he saw it quiver very slightly, a shiver, a tremble. "Master Ivory said I could pass for a man. Though I thought I should say who I was. I will be as celibate as anyone, sir. "The sorcerer looked at Dragonfly, who stood straight as a tree and said nothing. word. She felt sick. She shuddered, and swallowed the cold spittle that welled in her mouth. him that he couldn't despise Hound. Iria regularly. I wondered if they had told her. My seat unfolded without a. platforms and tunnels, after the unbearably shrill incandescent vegetation of the streets, the light. The curer checked the girths, eased a strap, and got up in the saddle, not expertly, but the hinny. He asked her to stay, he did not tell her to. All she could do was nod. "The Summoner was among us when we stood on Roke Knoll and saw the Archmage kneel to King. "A nose, now, is a useful thing, a salable thing," Hound went on. "Not that I'm looking for. "I should go," she said. "I can walk in the Grove, but not live there. It isn't my - my place. And the Master Chanter said I did harm by being here. "It always seemed to me they're sort of alike," he said, "magic and music. Spells and tunes. For. She slid out of her clothes, the man's breeches and shirt that were all she had, and slipped naked. "That would be only what the women of the Hand call it, keeping its meaning from the wizards and. lore a wizard or his prentice might record a plague, a famine, a raid, a change of masters, along. Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizards power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm. something else, a peculiar, bitter taste. "Come on then, my love," the young woman said, not to him. The mare followed her trustfully. They. "I did fly. "What can we do?" said Veil. keenly and strangely as when she had come to his summoning. The rain ran down her naked head and. "What's more wrong than to summon oneself back from death?" said the Namer. treeless valley, past grass-grown dumps and tailings. "Where My Love Is Going. "I'd always counted on your going into the family business," Golden said. His tone was neutral, and Diamond said nothing. "Have you had any ideas of what you want to do?". The door closed. It was silent except for the whisper of the fire. me, from out of my chest -- came a shrill cry: ringing. "They show me what I should do," Irioth said, "and who I am. They know my name. But they never say it. "softly forward, her slave oarsmen sleeping on their benches, the free men of her crew all asleep. "Often. Seeing only boys and men, day after day, in the Great House and all the precincts of the School. Knowing that the townswomen are spell-bound from so much as setting foot on the fields about Roke Knoll. Once in years, perhaps, some great lady is allowed to come briefly into the outer courts. .. Why is it so? Are all women incapable of understanding? Or is it that the Masters fear them, fear to be corrupted - no, but fear that to admit women might change the rule they cling to - the ... purity of that rule. "Grove because the leaves of the trees spoke your name to me before you ever came here. Irian, they. Ivory clapped his hand to his right leg. A dog's tooth had ripped his breeches at the calf, and a. I've never gone there. We know nothing about their. Since the coronation of King Lebannen and the restoration of the High Courts and Councils in Havnor Great Port, Roke has remained without an archmage. It appears that this office, not

originally part of the governance of the school or of the Archipelago, is no longer useful or appropriate, and that Ged, whom many call the greatest of the arch-mages, may have been the last. The spoken name of a True Rune may be the word it signifies in the Old Speech, or it may be one of after you?" him that Otter's sister hurried in to tell him, "Hound's won a battle or a fortune! He's riding deals were profitable. It was as if good fortune stuck to him and he could not shake it off. He only smeared about on his skin. "I hate mud," he whispered. Then he snapped his jaws and stopped. A pause. "This," Diamond said. His voice was level. He looked neither at his father nor his mother. "She can lodge in the town," the Changer said, with some relief. The heap moved, and roused up slowly. They saw it was the curer, just as he had been, no fires or shadows, though looking very ill. "Come on," Gift said, and got him on his feet, and walked slowly up the street with him. defeated Erreth-Akbe, who "lost his staff and amulet and power" and crept back to Havnor a broken. on Semere's high pasture, a level step on the mountainside. A mile below it, all sunlit now, the occasionally the blur of a face shone, once I even brushed by someone. The crowns of the trees. "All the foreigners in one basket," said the taverner, and this was repeated that night at the tavern several dozen times, an inexhaustible source of admiration, the best thing anybody'd said since the murrain. "Your majesty is sending forth his fleets," Early said to the staring old man in the armchair. stood aside. "Come in, daughter," he said. behind existed now only in my memory. over wizardly powers and widespread misuse of them, magic came into general disrepute. When he saw it, faint and green above the misty sea, he cried out the men in the ships heard the healing, animal husbandry, dousing, mining and metallurgy, planting and growing spells, love. The name and office of archmage were invented by Halkel, and the Archmage of Roke was a tenth. "A mage called Highdrake told me that when Ath stayed in Pendor, he told a wizard there that he'd left the Book of Names with a woman in the Ninety Isles for safekeeping." She stood with the little oil lamp in her hand, and the light of it shone red between her fingers and golden on her face. He said her name. She gave him sleep. while I work with the beasts." Ogion shook his head. He let his sending sit down in the grass near Heleth, though it did not bend. After a while, searching for words, he went on: "Dirt. Rocks. It's a dirty magic. Old. Very old. numerals flowed down narrow screens; other booths had shutters instead of doors, which lifted. He was sitting a little way from where he lay, looking at himself, although it was still utterly dark. He lay huddled and crumpled near where the little seep-stream dripped from the ledge of mica. Not far away lay another huddled heap, rotted red silk, long hair, bones. Beyond it the cavern stretched away. He could see that its rooms and passages went much farther than he had known. He saw it with the same uncaring interest with which he saw Tinaral's body and his own body. He felt a mild regret. It was only fair that he should die here with the man he had killed. It was right. Nothing was wrong. But something in him ached, not the sharp body pain, a long ache, lifelong. into the water, feeling the push and stir of the current all along her body.
