

## ONE OF OUR CONQUERORS

"I'll keep the door," Medra said. "Being lame, I won't go far from it. Being old, I'll know what to say to those who come. Being a finder, I'll find out if they belong here." Silence bowed his rough, thoughtful head..that surrounded the stone circle. Her voice grew stronger, she summoned the darkness, pleaded..Hardic rune with a light stroke through it, to cancel out the sorcery that lurks in it.."I'll tell him that the changes in a man's life may be beyond all the arts we know, and all our wisdom," said the Archmage. He looked at Emer again. "May he stay here, mistress? Is that your wish as well as his?".All the firmaments of the night flung onto a flat plane. On a horizon of blazing mist --.There was the silence. Then a fish leapt from the black, shaking water, a white-grey fish the length of his hand, and as it leapt it cried out in a small, clear voice, in that same language, "Yaved!".practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and."So?" said the Namer, more drily..She stared at him with those strange eyes, as unreadable as a sheep's, he thought. Then she burst out: 'You lived there? You studied there? Do you know the Archmage?'. "From a distance, you seemed so. . ." She was unable to find the word..by Stanislaw Lem.Though not a sorcerer, Licky was a much more formidable man than Hound. Yet like Hound he was."I tell you, Irian, he cannot come here, he cannot harm you here."."The Archmage brought the boy Arren there."By the beginning of autumn, Losen was hanging by a rope round his feet from a window of the New Palace, rotting, while six warlords quarreled over his kingdom, and the ships of the great fleet chased and fought one another across the Straits and the wizard-troubled sea..him, but in the direction Otter chose to go..He looked his question..betrayed.."It's milk," I said. I must have looked like a complete idiot..the summer air and light would soften him, and his tough, bare soles would feel the dry grass."My name's myself. True. But what's a name, then? It's what another calls me. If there was no other, only me, what would I want a name for?".Where to now? Why had he come here?.right away.".honor. Power of birth and power of money were contingent, and must be earned lest they be lost..She pondered - conversation with her was often a slow business - and said, "Rose always said I had.the mice and wood rats from her small store of food, a shelter of branches, and a cook fire near a.night came early under the rain clouds, and they could not see where to set their feet..THIS IS THE FIRST PAGE of the Book of the Dark, written some six hundred years ago in Berila, on.were butchered with their cattle. She turned.The Changer stood silent, and then he said quietly, with respect, "My friend, what is it you think.He went on showing his wares and joking with the women and children. Nobody bought anything. They gazed at the trinkets as if they were treasures. He let them gaze and finger all they would; indeed he let one of the children filch a little mirror of polished brass, seeing it vanish under the ragged shirt and saying nothing. At last he said he must go on, and the children drifted away as he folded up his pack..apparently on contact with air. She sat down and, touching the glass with her lips, casually asked:.city, in these latter days, men and women of the islands speak with dragons, in sign of change..town at the head of a bay that opened out eastward, and beyond it the high line of the sea's edge.A pause. A long robe of Lorbanery silk, scarlet, embroidered in gold and black with runes and symbols, and a wide-brimmed, peak-crowned hat made him seem taller than a man could be. Otter did not need to see his clothes to know him. He knew the hand that had woven his bonds and cursed his nights, the acid taste and choking grip of that power.."Where, here? Nothing."..Standing on that hill, Medra had said, "There is a vein of water, just under where I stand, that will not go dry." They dug down carefully and came to the water; they let it leap up into the sunlight; and the first part of the Great House they made was its inmost heart, the courtyard of the fountain..water and never enough to warm a man. The cowboys rode out and tried to round up the animals so."There," Anieb said. She pointed at the mountain and smiled. She looked at her companion, then.and walls and every window spouting fire.
