As a matter of practical fact, however, a mother's womb can only hold so much, and if there are multiple organisms developing, each is sure to be smaller than a single organism. The more organisms that develop, the smaller each one and, in the end, they will be too small to survive after delivery..I notice that the blowers have cut off. It's earlier than usual, but obviously there's enough body heat to keep the dome buoyed aloft I imagine the Central Arena drifting away like that floating city they want to make out of Venice, California. There is something appealing about the thought of this dome floating away like dandelion fluff.
