Everyone else in the tavern came running outside too. Sure enough it was Amos, and sure enough a rainbow looped above them to the far horizons. "No insult intended, Mary," Weinstein said gently. "But, yes, we have. It's the opinion of the people Earthside that you couldn't do it. They've tried some experiments, coaching some very good pilots and putting them into the simulators. They can't do it, and we don't think you could, either." This order will result in immediate penalties, including criminal trials of your leaders. Address all. Without breaking stride, she kicked high over her head and grinned at me. "Elevations." Then she stopped and turned to face me. "I'll have to ask you for a favor. Mandy doesn't know about my practice sessions. Not being a dancer, she wouldn't understand how important this is to me, either. She'd just be upset knowing I was here out of my time. So when you take her to lunch today, please don't mention you saw me." The dome roof as it settled over the structures inside. "Fever." "Implicitly." With what you've found out, he could laugh hi your face and have you arrested for illegal entry. Hidatga buried her face in her hands, and everyone else in the tavern turned away and began to look. "Let's go over what we've learned. First, now that Lou's dead there's very little chance of ever lifting off. That is, unless Mary thinks she can absorb everything she needs to know about piloting the Podkayne from those printouts Weinstein sent down. How about it, Mary?" equipment and, therefore, would be another great human being of the same kind. In that case, the chief. and adapt it to us where we can. "I haven't had an indecent proposition in. There are more that I haven't mentioned; two films of She, two of The Lost World, innumerable versions of Midsummer Nighfs Dream. And yet more to come: As the science fiction and fantasy films prove to be moneymakers, 5 properties will be dusted off, "modernized," and reproduced. I can see the piece I'll do for The Best from Fantasy and Science Fiction: 50th Series, sorting out several versions of The Thing, grumbling about the musical remake of 2007: A Space Odyssey, and commenting on the new production of Star Wars, featuring Mark Hamill as Obi-wan Kenobi. "The verdict will probably end up accidental death. Everybody's bonded. Jain was insured for millions. Everything will turn out all right for everyone." She stares at me for several seconds. "Except Jain. You bastard." "Now don't be sad," said Amos. "We need all our wits about us." (chorus) Clone, clone of my own, book in my direction; I recognize the cover. I hope so. We've only been out a week, but it seems twice that long, with nothing to do but hang around. I raised my brows. "You've given up being hostess for your father?" not yourself, you were depressed and feeling hopeless. Does that still stand?" "They've got practically all their strength out on the flanks both ways along the gorge," Swyley announced. "There are some units moving down the opposite slope, but they won't be in position for about another thirty minutes." The glow from the screen highlighted the mystified look that flashed across his face. He shrugged. "It's tonight. Will you help me?" Crawford and Lang hung around as the scientists looked things over. They were not anxious to get back to the task that had occupied them for the last two weeks: that of bringing the Podkayne to a horizontal position without wrecking her. The ship had been rigged with stabilizing cables soon after landing, and provision had been made in the plans to lay the ship on its side in the event of a really big windstorm. But the plans had envisioned a work force of twenty, working all day with a maze of pulleys and gears. It was slow work and could not be rushed.
