When it.Religion was a unifying element even among the most warlike tribes. There were hundreds of Truce Places on the Four Lands, where no warfare or dispute was permitted. Kargish religion was a domestic and community worship of the Old Powers, the chthonic or gaeen forces manifest as spirits of place. They were worshiped at the site and at home altars with offerings of flowers, oil, food, dances, races, sacrifices, carvings, songs, music, and silence. Worship was both casual and ritual, private and communal. There was no priesthood; any adult could perform the ceremonies and teach children to do so. This ancient spiritual practice has continued, unofficially and sometimes in hiding, under the newer, institutional religions of the Twin Gods and the Godking..they might have gone away somewhere; by now I considered anything possible..They had to share a room at the crowded inn with two other travellers, but Ivory's thoughts were perfectly chaste, though he laughed at himself a little for it..he must remember to control more strictly. What a world, I thought, what a world this is!."Tell us who you are," the white-haired man said, courteously enough, but without greeting or welcome. "Tell us how you came here."."I'm Gift," she said, a bit flustered, but liking the fellow. "All right, then, Master Hawk. She found it."I haven't practiced ever since I left, Darkrose," he said. "But the music was always in my head, and you...." She reached out her hands to him. The Doorkeeper waved his hand at it, and it avoided him. Irian swerved and."Oh, no, you're not, Master Otak.
