For an instant, Junior thought the railing might hold, but the pickets splintered, the handrail cracked, and Naomi pitched backward off the view deck, in a clatter of rotting wood. She was so surprised that she didn't begin to scream until she must have been a third of the way through her long fall. Too many moviemakers and novelists were intent on showing you the aftermath, as if that were as important as the story itself. The entertaining part, however, was the movement, the action, not the consequences. If you had a runaway train scene, and the train hit a busload of nuns at a crossing, smashing it the hell out of the way and roaring on, you wanted to follow that train, not go back and see what had happened to the luckless nuns; dead or alive, the nuns were history once the damn bus was slammed off the tracks, and what mattered was the train; not consequences, but momentum. the wheel. were as twitchy as those of a rabid animal.
