Maybe for a man it's only one thing ever. But I miss hearing you sing." "I am not ashamed," Irian said. She looked at them all. She felt that she should thank them for their courtesy but the words would not come. She nodded stiffly to them, turned round, and strode out of the room..he served well and honestly, deserved honor and respect. They went on kissing.."Free!" said the tall woman, and her voice cracked like a whip. Then she looked at her companions, and after a while she smiled a little. Turning back to Medra, she said, "We're prisoners, and so freedom is a thing we study. You came here through the walls of our prison. Seeking freedom, you say. But you should know that leaving Roke may be even harder than coming to it. Prison within prison, and some of it we have built ourselves." She looked at the others. "What do you say?" she asked them..I looked at her, silent. The language had not changed so very much, and yet I didn't."I don't care what's "allowed"," he said, with a frown she had never seen on his face. She was troubled by what he had told her and by her thoughts and feelings in the Grove, and troubled that any thought or feeling could have troubled her there. She went to the house, set out her supper of smoked meat and bread and summer lettuce, and ate it without tasting it. She roamed restlessly back down he streambank to the water. It was very still and warm in the late dusk, only the largest stars burning through a milky overcast. She slipped off her sandals and put her feet in the water. It was cool, but veins of sunwarmth ran through it. She slid out of her clothes, the man's breeches and shirt that were all she had, and slipped naked into the water, feeling the push and stir of the current all along her body. She had never swum in the streams at Iria, and she had hated the sea, heaving grey and cold, but this quick water pleased her, tonight. She drifted and floated, her hands slipping over silken underwater rocks and her own silken flanks, her legs sliding through waterweeds. All trouble and restlessness washed away from her in the running of the water, and she floated in delight in the caress of the stream, gazing up at the white, soft fire of the stars..This harmony generally prevailed through the reign of Maharion. Her screaming could be heard for several houses up and down the street, and a crowd, that is, ten or eleven people, gathered between Sans house and the tavern..in it, bulging, pressing, like an animal trying to get free..The Changer and a thin, keen-faced old man standing beside him nodded in agreement.
